

# Important News !

To all MEEFX clients,

We are writing to inform you that, after careful consideration and coordination with our regulators, we have decided to voluntarily dissolve MEEFX LTD.

As an immediate measure, we have stopped opening new accounts and have stopped accepting new deposits and positions. If you currently have open positions on any of our platforms, we kindly request that you close them as soon as possible. On September 5, 2024, we will close all remaining open positions and then shut down our trading servers completely.

After closing open positions, we urge you to withdraw funds from your MEEFX accounts by September 8, 2024. Please note that our financial position is very strong and there is no risk to your deposits.

We appreciate your understanding and please let us know if you have any questions. Sincerely,

MEEFX
